The Convertible Bonds and the Notes will not result in any immediate dilution effect on the shareholding of the existing Shareholders.

The aggregate gross proceeds arising from the issue of the Convertible Bonds and the Notes will be US\$20 million (equivalent to approximately HK\$156,166,000).

Each of the net proceeds arising from the issue of the Convertible Bonds and the Notes, after deduction of expenses, will amount to approximately HK\$77,768,000 and HK\$76,987,000 respectively, which shall be applied to refinance certain existing indebtedness of the Group and raise funds to replenish its working capital. The net price for each Conversion Share will be approximately HK\$3.57.

The Board considers that the Subscription Agreement was entered into on normal commercial terms after arm's length negotiations between the Company and the Subscriber and that the terms of the Subscription Agreement (including the Conversion Price) are fair and reasonable and in the interest of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATIONS

The Conversion Shares which may fall to be issued upon the exercise of the conversion rights under the Convertible Bonds will be issued under the General Mandate which was granted to the Directors pursuant to an ordinary resolution of the Shareholders passed at the AGM subject to the limit of up to 20% of the aggregate number of Shares in issue as at the AGM (i.e. 415,400,000 Shares, representing 20% of 2,077,000,000 Shares in issue as at the date of the AGM).

As disclosed in the Company’s announcement dated July 20, 2017, the Cheer Hope Convertible Bonds have been issued by the Company under the General Mandate. Upon full conversion of the Cheer Hope Convertible Bonds at the conversion price of HK\$3.57, a maximum number of 108,963,585 Shares will be allotted and issued pursuant to the General Mandate such that a total of 306,436,415 Shares will remain unissued under the General Mandate.

Upon full conversion of the Convertible Bonds at the Conversion Price of HK\$3.57 per Conversion Share, a total of 21,792,717 Conversion Shares will be allotted and issued to the Subscriber, representing (i) approximately 1.05% of the existing issued share capital of the Company; and (ii) approximately 1.04% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares, assuming there is no other change in the issued share capital of the Company between the date of this announcement and the full conversion of the Convertible Bonds. In this circumstance, the aggregate of 21,792,717 Shares to be issued upon full conversion of the Convertible Bonds and 108,963,585 Shares to be issued upon full conversion of the Cheer Hope Convertible Bonds, will utilise approximately 31.48% of the General Mandate.

Further, in the event of any Conversion Price Reset, the aggregate total maximum number of (i) Conversion Shares to be issued upon full conversion of the Convertible Bonds at the lowest possible conversion price of HK\$2.39 and (ii) the Shares to be issued upon full conversion of the Cheer Hope Convertible Bonds at the lowest possible conversion price of HK\$2.39 (as disclosed in the Company's announcement dated July 26, 2017) will be 195,313,807, which will utilise approximately 47.02% of the General Mandate.

Lastly, while there may be change in the number of Conversion Shares if any of the abovementioned adjustment events (other than a Conversion Price Reset) is triggered, the Company considers that such events triggering the adjustments of the Conversion Price are within its control and as such, the Company confirms that it will not take corporate actions that would result in the number of Conversion Shares, when aggregated with any Shares to be issued upon conversion of the Cheer Hope Convertible Bonds, exceeding the mandate limit under the General Mandate.

Therefore, the Company has sufficient General Mandate to cover the issue of the Conversion Shares to be allotted and issued upon full exercise of the Convertible Bonds. As the Conversion Shares are to be issued under the General Mandate, the issue of the Conversion Shares is not subject to any Shareholders' approval.

The Company has not bought back any Shares within the last 30 days prior to the date of this announcement.

As completion of the Subscription Agreement is subject to the fulfilment and/or waiver of certain conditions set forth therein, the issue of the Convertible Bonds and the Notes may or may not proceed. Investors should exercise caution when dealing in the Shares. If in doubt, investors are recommended to consult their professional adviser(s).
